

Digital services tax update – global trends and implications for Asia Pacific

What impact do the ongoing reforms in global digital tax have on businesses in Asia Pacific? Tax leaders across Asia Pacific continue to look to early movers for strategies about digital tax implementation as unilateral digital tax rules are either imposed or being planned across several jurisdictions.

This webinar goes beyond news developments, offering practical and ground insights from WTS Global experts who bring unique comparative perspectives and lessons for Asian businesses in dealing with taxation of the digital economy.

WTS Global and our member Tax firms in Asia are pleased to bring the latest webinar in our ongoing series of Tax events. This webinar is highly relevant to C-suite executives and Finance and Tax professionals with interests or responsibilities in Asia and globally.
